

# Semester Course Content Equivalencies Handbook

## Graduate Schools

### Semester to Quarter Course Content Equivalencies Table: Graduate School of Criminal Justice

**Note: Changes made since initial posting are indicated in red highlighted text.**

#### About This Section

This section of the handbook lists semester courses together with their quarter course content equivalents. The semester courses are arranged alphabetically according to the two- or three-letter department code found in the course number (for example, "ECN" for "Economics").

#### How to Use This Section

For a detailed explanation of how to use this and other sections of the handbook, please see "How to Use This Handbook" at [www.registrar.neu.edu/how2grad.pdf](http://www.registrar.neu.edu/how2grad.pdf).

#### See Your Academic Adviser!

All students must have a complete transition plan made with and approved by an academic adviser. This handbook is designed to be used by students in conjunction with an academic adviser to plan completion of degree programs/majors under semesters. The handbook is not intended to replace academic advising but rather to supplement it. Similarly, the equivalency relationships in the handbook are not intended to replace transition plans made with an academic adviser.
